Full name	
Address	
	Post Code:
Telephone number	

3. Details of area to be dredged	
Name of site & description of area to be dredged within site (if applicable)	

4. Is this a repeat application for a dredging licence?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
---	------------------------------	-----------------------------

If yes, please provide the following details:

Three or One Year Licence. The PLA may consider a site for a three year licence if site can be shown to be stable in terms of the dredging requirement, dredging methodology and chemical quality.	<input type="checkbox"/> 1 Year	<input type="checkbox"/> 3 Year
--	---------------------------------	---------------------------------

Name of current/previous licensee				
Date current/previous licence was signed				
Details of all dredging campaigns undertaken under current/previous licence		Start date (dd/mm/yyyy)	End date (dd/mm/yyyy)	Quantity removed (m <sup>3</sup> )
	Campaign No. 1	/ /	/ /	
	Campaign No. 2	/ /	/ /	
	Campaign No. 3	/ /	/ /	
	Campaign No. 4	/ /	/ /	

If no, please provide details or an estimate of when the site was previously dredged and to what depth

--

<b>5. a) Total quantity of material to be dredged (in m<sup>3</sup>) per annum [Must include any side slopes required]</b>	
<b>b) Number of dredging campaigns per annum</b>	
<b>c) Quantity of material to be dredged per campaign (in m<sup>3</sup>) [Must include any side slopes required]</b>	
<b>d) Depth to be dredged (in metres above/below Chart Datum)</b>	

**6. Description of the physical characteristics of the dredged material (e.g. silt, sand, gravel etc.)**

--

**7. Method of dredging (please select one of the following options)**

<input type="checkbox"/> Trailer suction hopper	<input type="checkbox"/> Water injection	<input type="checkbox"/> Grab
<input type="checkbox"/> Plough	<input type="checkbox"/> Backhoe	<input type="checkbox"/> Cutter suction
<input type="checkbox"/> Other (please specify: _____)		

**8. Disposal method (please select one of the following options)**

<input type="checkbox"/> Material disposed to land	<input type="checkbox"/> Material retained within water column
<input type="checkbox"/> Material disposed to sea	<input type="checkbox"/> Other (please specify: _____)

**Name of disposal site (if applicable)**

--

**Has an MMO Marine Licence/Exemption been issued for this site?**

<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> In progress <input type="checkbox"/> Exempt Activity
--

**Further details of the status of the MMO Marine Licence for this site** (please include MMO reference numbers, the name of MMO case officer and any further relevant information).

--

**9. Environment Agency (EA) Consent**

Is the dredge area within 16 metres of a flood defence wall? Yes  No

If the dredge area is within 16 metres of a flood defence wall then under the terms of the Water Resources Act 1991 and the Land Drainage Byelaws, the prior written consent of the EA is required and this will be added as an obligation to the PLA dredging licence. The EA can be contacted on 03708 506 506. You should allow at least two months for the consent to be granted.

<b>9a. Has a Water Framework Assessment Screening been carried out for this site?</b>	Yes (go to 9b) <input type="checkbox"/> No <input type="checkbox"/>
<b>9b. Is a full Water Framework Assessment required for the site?</b>	Yes (go to 9c) <input type="checkbox"/> No <input type="checkbox"/>
<b>9c. Has a full Water Framework Assessment been completed for the site?</b>	Yes (go to 9d) <input type="checkbox"/> No <input type="checkbox"/>
<b>9d. Please provide further details:</b>	

**10. Proposed start date and duration of all dredging campaigns to be undertaken (if exact dates not yet known, please estimate)**

	Start date (dd/mm/yyyy)	Duration (days)
Campaign No. 1	/ /	
Campaign No. 2	/ /	
Campaign No. 3	/ /	
Campaign No. 4	/ /	

I agree to pay the PLA's reasonable charges for considering this application and, if it is successful, their reasonable charges in connection with the grant of any licence.

I consent or am authorised to consent to such personal details as are supplied above being recorded for use solely in connection with the PLA's licensing function (including valuation assessments and appeals). I also consent, or am authorised to consent, to the PLA providing

details of the proposed dredging and location, including copies of drawings, to river users or prospective river users, riparian neighbours and bodies having statutory powers, duties or an interest in the river.

Signed by the applicant (or agent)	
Date (dd/mm/yyyy)	/ /

**Have you enclosed:**

- A recent survey marking the proposed area to be dredged and sample locations (if applicable);
- A detailed dredging method statement (to be produced by the dredging contractor);
- Results of chemical analysis of the material carried out within the last 2 years. Please note that if new sediment samples are required, then the PLA will advise on sampling requirements and a sampling plan will be issued. Sampling results must be provided to the PLA prior to the application being processed. Sample results will remain valid for two years from the date of analysis.
- WFD Screening document or WFD assessment (if available).

**MISSING ITEMS MAY LEAD TO A DELAY IN PROCESSING THIS APPLICATION**

REMINDERS

1. Under the Port of London Act 1968, s.73 any dredging in the tidal Thames is subject to PLA licence.
2. The applicant must ascertain what other consents are needed, obtain these consents and provide proof of same.
3. The applicant must carry out the dredging in accordance with the methodology submitted to, and the licence issued by, the PLA.
4. Pre- and post-dredge surveys must be undertaken before and after each dredging operation, or campaign forming part of an annual licence to dredge, and copies of these provided to the PLA.
5. Dredging cannot commence until the dredging contractor has signed and returned the letter acknowledging acceptance of the licence conditions.
6. It is a criminal offence to commence dredging before the PLA's licence has been given.
