

NOTICE TO MARINERS L22 of 2019

GRAVESEND REACH FLOODGATE REPLACEMENT WORKS GRAVESEND CANAL BASIN

This notice supersedes L25 of 2018.

Works that started on 12th November 2018 for the in-channel flood gate replacement works, will continue on the lock for Gravesend Canal Basin until the end of August 2019.

The majority of the works will take place at low tide with a temporary cofferdam being installed. For this reasons a 'Proceed with Caution' will be issued by London VTS on VHF Channel 68 asking passing vessels to minimise their wash.

Navigation through the lock will be managed by the on-site team on an ad-hoc basis.

For the latest information contact London VTS on VHF Channel 68 or by telephone on 01474 560311.

3rd June 2019
