

## NOTICE TO MARINERS M35 of 2018

### THAMES BARRIER CONTROL ZONE THAMES BARRIER TEMPORARY NAVIGATION LIGHTS

Mariners are advised that the works **formerly promulgated in Notice to Mariners M13 of 2018** will continue on the Thames Barrier to upgrade the existing navigation lights on each of the piers. These works are expected to last approximately three months.

In order to facilitate continued safe navigation through the Thames Barrier a temporary red cross will be utilised to indicate a span that is currently closed to navigation from one or both directions.

This temporary lighting arrangement will be 1m x 1m in size and consist of five red lights mounted onto a rigid red 'X' as illustrated below:
