

## NOTICE TO MARINERS M35 of 2019

### UPPER POOL LOCAL TRAFFIC CONTROL FILMING OPERATIONS AND PYROTECHNIC DISPLAY

On **28<sup>th</sup> May** and **29<sup>th</sup> May 2019** filming operations and a pyrotechnic display will take place in the Upper Pool. Operations will be undertaken between **21:00** and **22:00** between London Bridge City Pier and Hermitage Community Moorings as shown in the chartlet below.

In order to accommodate these operations, Local Traffic Control will be undertaken from a PLA Harbour Service Launch stationed above Tower Bridge. All vessels intending to navigate between London Bridge City Pier and Hermitage Community Moorings are to call 'TOWER CONTROL' on VHF Channel 14 as follows:

- Inbound at Hermitage Community Moorings
- Outbound at London Bridge City Pier
- Prior to leaving a berth or mooring between London Bridge City Pier and Hermitage Community Moorings

All vessels are to navigate in these areas with caution, maintaining a continuous watch on VHF Channel 14 and follow the instructions from the attending Harbour Service Launch exhibiting flashing blue lights. Whilst endeavours will be made to lessen the impact on river traffic at this time, operators should be aware that there may be delays to vessels of up to 10 minutes during this period.

Further details will be promulgated by **London VTS** on VHF Channel 14 during routine river broadcasts.

**22 May  
2019**

Port of London Authority  
London River House, Royal Pier Road,  
Gravesend, Kent DA12 2BG
