

NOTICE TO MARINERS M59 of 2018

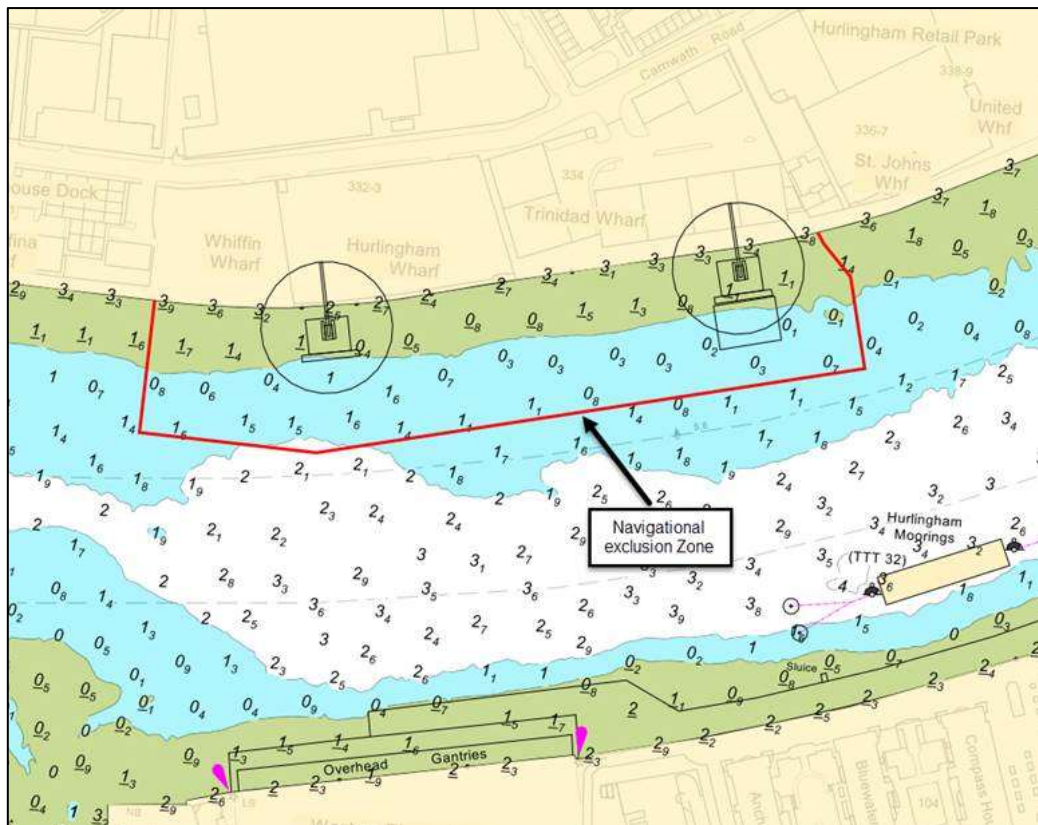

WANDSWORTH REACH

HURLINGHAM & TRINIDAD WHARVES CONSTRUCTION

This notice supersedes Notice to Mariners M22 of 2018.

Mariners are advised that contractors working on the Tideway Tunnel Project will continue works which involve fitting out the berths at Hurlingham and Trinidad Wharves.

Please see the chartlet below depicting the location of the works.

The works will also include removal of shaft material, and the delivery of materials and equipment. A variety of vessels including spudded barges tugs, workboats and Multicat vessels will be used. The works are expected to take a further 4 months. The vessels involved will maintain a continuous listening watch on VHF channel 14. When required RY flags may be exhibited in conjunction with “proceed with caution / slow down requests” in VTS broadcasts.

No vessels other than those engaged in the works or muckaway shall enter the navigation exclusion zone depicted by the red line on the chartlet.

Vessels are requested to be mindful of the nature of the works, their wash when passing the works and to pass at a safe distance.

Further details will be broadcast by London VTS on VHF Channel 14.
