Thames Vision: Progress to date

Thames Vision Goals

- The busiest ever Port of London: 60 – 80 million tonnes of cargo
- More goods and materials routinely moved between wharves on the river + four million tonnes a year
- Double the number of people travelling by river – reaching 20 million trips
- Greater participation in sport and recreation on and alongside the water
- **The river the cleanest since the Industrial Revolution, with improved habitats and awareness of heritage**
- A riverside which is a magnet for ramblers, historians, artists and others, whether living nearby, on the river or travelling from further afield

'Into the Future; through education, behaviour change and citizen science'
