

THAMES VISION CONSULTATION ON GOALS AND PRIORITY ACTIONS

TELL US WHAT YOU THINK

We welcome comments by **Monday, 15 February 2016.**

You can find a copy of the Goals and Priority Actions consultation document online at: www.pla.co.uk/ThamesVision. This dedicated web section also includes the data we have drawn on to develop the Vision. This includes responses to the initial 'call for evidence', public meetings, roundtable discussions and the findings of research into the economic and amenity value of the Thames.

In particular we are looking to hear your feedback on these questions:

1. Are these the right goals for the Thames Vision?
2. Are these the right priority actions to achieve the Vision?
3. Are there other goals and priority actions you think are needed in the Thames Vision?

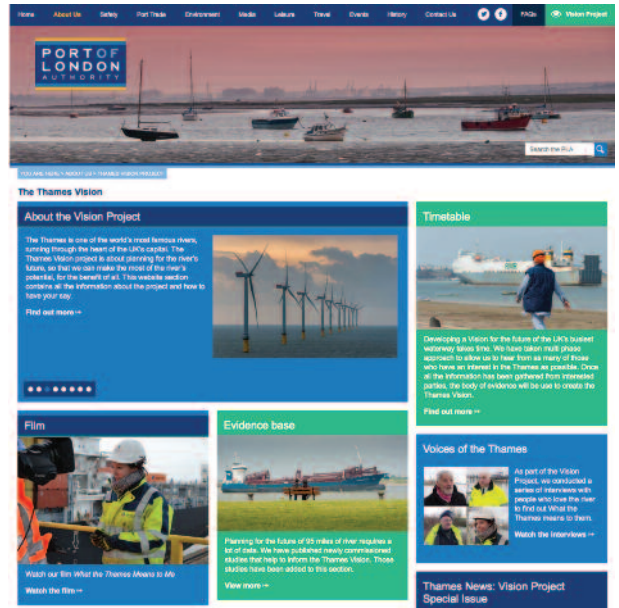

We are also keen to understand which section(s) of the river your views relate to: Teddington Lock – Putney Bridge; Putney Bridge – Thames Barrier; or Thames Barrier to Southend.

You can share your feedback via:
