

## NOTICE TO MARINERS M17 of 2022

### NINE ELMS REACH

## VAUXHALL BRIDGE NO 4 ARCH CLOSURE

Mariners are advised that contractors working on the Tideway Tunnel Project will continue with works at the second cofferdam on the Albert Embankment South West of Lacks Dock.

On or about the 22nd March 2022, marine plant will be working in the exit of no 4 arch of Vauxhall Bridge to install temporary CSO diversion pipes in the face of cofferdam 2. During these works No 4 arch of Vauxhall Bridge will be closed until approximately the end of April.

The arch closure will be marked by a red cross displayed on the smart signal light above no 4 arch on the up river side of Vauxhall Bridge.

The works will take place using a variety of barges including crane barges, jack up barges, supply barges, tugs and Multicat vessels and are expected to take approximately 4 weeks. A further closure of approximately 4 weeks will take place in September for the installation of temporary scour protection for which an additional NTM will be issued.

The vessels involved will maintain a continuous listening watch on VHF channel 14. At times RY flags may be exhibited in conjunction with "proceed with caution / slow down requests" in VTS broadcasts. Port Information Guide, London VTS section, item 4 refers.

Further details will be broadcast by London VTS on VHF Channel 14.
