

NOTICE TO MARINERS M21 of 2022

KINGS REACH

COIN STREET MOORING REPLACEMENT

On or about the 11th May 2022, Port of London Authority (PLA) Marine Services will be installing a new mooring at Coin Street, as shown in the chart below. PLA Vessel LONDON TITAN will be in attendance at Coin Street during day-time periods. The vessel will be moored in location using spud legs and will encroach the channel for the duration of the works, which are expected to take four-days.

On completion of the installation ground chains will be marked by 4 unlit yellow buoys, which will remain in situ until a collar barge is placed at the mooring at a time to be determined.

Further details will be broadcast by London VTS on VHF Channel 14 as required.
