

NOTICE TO AGENTS, BERTH AND SHIP OPERATORS No.12 of 2020

PLA IT SYSTEMS OUTAGE 20th JUNE 2020

Agents, berth and ship operators are informed that due to essential IT system maintenance work there will be an interruption to the PLA PISCES and email systems.

This interruption is planned to take place from 0500 Saturday 20th June 2020 and systems are expected to be operational again from 0900.

It is essential that all confirmed and provisional vessel bookings are populated into the PISCES system as early as possible today and that if you require to make any late changes during the time period above that you also notify the change by telephone.

If there are any further changes to system operation due to these essential works a further communication by email will be promulgated.
