NOTICE TO MARINERS

Sea Reach - Fobbing Creek Barrier Works

Mariners are advised that, on or about **14th July 2025**, contractors instructed by the Environment Agency are expected to commence works to the Fobbing flood defence barrier. The general location is indicated by the red marking

on the chartlet below: -

The Fobbing flood defence barrier consists of 4 moveable gates, each 9m wide. These works will be undertaken on the 2 centre gates – Gate 2 and Gate 3 - only. Only one of these gates (Gate 2 or Gate 3) will be undergoing works at a time. There will be no works on Gate 1 or Gate 4 at this time.

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre
