OF

## Sea Reach - Oikos No. 1 Jetty - Dredging Operations

### NOTICE TO MARINERS

These dredging operations will be carried out by the Water Injection Dredging method and will be conducted during ebb tides only. The area to be dredged comprises the Oikos No. 1 Jetty berth box as well as the rear, clearance channel and the approach / transit area to the berth. The dredging is expected to be completed within approximately 12 days of commencement.

Requirements to proceed with caution or at slow speed will be made in accordance with the procedures set out in the Port of London Authority's Port Information Guide, under 'London VTS', 'Section 4' with the International Code Flags 'Romeo Yankee', which are illustrated below, displayed.

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre
