### NOTICE TO MARINERS

## Upper Pool - Chambers Wharf - Cofferdam Deconstruction

***This Notice supersedes and replaces M19-25, which is hereby cancelled.***

Mariners are advised that contractors working on the deconstruction of the Tideway Tunnel Chambers Wharf site continue with works to remove the cofferdam. Works are expected to be ongoing for approximately 5 months and will at times involve the use of supply barges moored outside the charted LLAU (shown in magenta on PLA charts).

The below chartlet shows the works area in red:

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre

Port of London Authority  
London River House, Royal Pier Road,  
Gravesend, Kent DA12 2BG

This Notice may be amended or withdrawn at any time. To check the validity of this notice, scan the QR code or visit [pla.co.uk/notices](https://pla.co.uk/notices)

### NOTICE TO MARINERS

Works will involve the use of a JUB moored inside the cofferdam works, a spudded barge to the front of the cofferdam and 1500t & 500t supply barges. Supply barges will never be moored outside the LLAU overnight.

Supply barges will be manoeuvred using the tugs SWS ENDURANCE, HANS and SUFFOLK.

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre
