Gallions Reach - King George V Lock - Diving Operations

Mariners are advised that on or about Monday, 12th May 2025, contractors for the Royal Docks will commence repair works on the outer lock gate of the King George V Lock. These works are expected to last approximately 4 weeks.

To facilitate these works, the outer lock gate will remain open, and regular diving operations will take place.

The Lock will remain operational throughout the works, but lock-in/out times will be restricted.

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre
