NOTICE TO MARINERS

Diving is scheduled to take place in the early hours of the morning only for approximately 2 and ½ hours each time, around the first low water periods of each day.

Workboat '**ASSASSIN**' will be involved in the diving operations and will display the below signals when diving is taking place:

By day, International Code Flags 'Romeo Yankee (RY)', 'Alpha (A)' and a red flag near the diver's point of entry into the water

By night, illuminated rigid replicas of the International Code Flags 'Romeo Yankee (RY)' and 'Alpha (A)'.

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre
