Syon Reach - Hazard to Navigation Partially Submerged Tree

NOTICE TO MARINERS

Syon Reach - Hazard to Navigation Partially Submerged Tree

Mariners are advised that a **HAZARD TO NAVIGATION** has been identified on the south channel edge of Syon Reach, in vicinity of Brentford Dock Entrance. The approximate position is indicated by the red circle on the chartlet below:

A large tree as pictured below, lies on the south channel edge and within the authorised channel. This tree is visible at low water however will be **partially submerged** or **fully submerged** by the tide. A small orange **unlit** buoy, has been attached to mark the position.

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre
