Syon Reach

Syon Reach - Navigation Hazard and Reduced Depths

NOTICE TO MARINERS

Syon Reach - Navigation Hazard and Reduced Depths

Mariners are advised that, a portion of the south embankment in Syon Reach has collapsed, leading to a landside which has encroached into the river Thames and **authorised channel**.

The landside consisting of earth, debris and trees has **reduced the navigable depth of water** in this area and poses a potential **hazard to navigation**.

The approximate position is 51°28.4154'N 000°18.6132'W, as indicated by the red circle in the chartlet below, this is on the boundary line between Queen's Cottage Grounds and Old Deer Park:

Telephone calls, VHF radio traffic, CCTV and radar traffic images may be recorded in the VTS Centre
