

WE CAN HELP

If you are struggling with the rising cost of living, and suffering hardship, or in need of some financial help to overcome a difficult time, as a former employee of the Port of London Authority (PLA), you can apply for a loan or grant from the Reeves and Fines Fund.

The Reeves & Fines Fund is a registered charity, managed by us, which can provide temporary assistance or financial support for those:

- who are in need, suffering hardship or distress, sickness, infirmity, or disability

or

- for the education or training of young persons who are pursuing (or who desire to pursue) a career on the tidal Thames.

All applications are treated with the utmost confidentiality.
