At that date, pensions from the Scheme totalled £253,782 per annum. At 31 March 2024 net assets of the Scheme amounted to £1,457,000.

The most recent valuation was carried out as at 31 March 2022.

In accordance with the Statutory Funding Objective, as at 31 March 2022, the assets covered 103% of the Scheme's liabilities and the surplus was £56,000 (assets of £2,011,000 being less than liabilities of £1,955,000).

Accordingly, no further deficit contributions are payable.

The next full valuation must be carried out with an effective date no later than 31 March 2025, although interim reports of the position as at 31 March 2024 will also be required.

**Pensions Increase**

In accordance with the Rules of the Scheme, an increase of 5.00% in the allowances of retired members in Group A above was made with effect from 1 December 2023.

Members in Group B received an increase of 5.00% with effect from 1 December 2023, whilst members in Group C received an increase of 10.1% with effect from 10 April 2023 and an increase of 5.00% payable from the Port of London Authority Pension Fund, with effect from 1 December 2023. This increase for members in Group C was offset against the payments being made, from the Scheme to these persons. These increase percentages were applied to the total pensions received by the members from all of the Authority's pension schemes.

With effect from 1 December 2023 Members in Group D received an increase of 5.00% in accordance with the increase granted to the Port of London Authority Pension Fund members.
